Dear Mr. Van Roy,

Thank you for your time discussing
this application with me today.

Please find enclosed ~~as~~ 2 pages of

- 1) Modified (in bold) claim #1; and
- 2) Modified (in bold) text of specifications

to reflect on discussed limitation of
no mechanical contact between external
surface of the laser tube and any
additional heat-sinks.

Please advise if I have articulated the
idea properly. Please call @ 425-487-9988

Very respectfully, Peter Vitruk
